

Nature's Linen® Food Service

The perfect choice for all your food service needs

Nature's Linen® is a soft, natural fiber, disposable alternative to cloth napkins, wipers and towels. Our Food Service line of Airlaid napkins allows your business to maintain linen's feel, performance, and upscale elegance without the expense of laundering, replacement, and storage. Nature's Linen Airlaid napkins provide an economical solution between linen and tissue napkins.

Upgrade your customer's experience and cut material costs with the versatility of Nature's Linen Airlaid products.

Flat Packs

Airlaid Flat Pack Napkins can be used as basket liners or as napkins to wrap silverware. Decrease tissue napkin consumption from 3.5 to 1.1 napkins per customer.

- More absorbent than both tissue or linen napkins
- Extremely durable compared to tissue
- Costs better defined and more competitive
- Holds warmth when used as a bread basket liner

1/8 Fold Napkins

Airlaid 1/8 Fold Napkins are perfect replacements for cloth napkins while still providing a touch of elegance at any dining setting.

- 1/8 Fold napkins can be custom embossed
- Convenience versus linen
 - Already pre-folded
 - Eliminates storage of soiled linen

Guest Towels

Nature's Linen® Guest Towels are designed for all types of establishments wishing to furnish guests with absorbent softness without the high cost of real linen.

- Perfect for hand drying in lavatories
- Also ideal for dining

Quarter-Fold Napkins

Airlaid Q-Fold Napkins are folded in quarters to dress up a luncheon setting or catered event.

- More absorbent than linen
- Disposable - No laundering required

Antimicrobial Wipers

Say goodbye to odor-prone cloth towels. Antimicrobial wipers are designed for all types of kitchen and tabletop cleaning applications where there is concern with reducing cross-contamination and growth of bacteria and mold.

- Contains an antimicrobial property to inhibit the growth of microorganisms
- Resists stains
- Antimicrobial properties will remain for the life of the wiper
- Wiper is reusable
